

WE'RE RECRUITING

Do you like the idea of working for a top tier agriculture equipment dealership? Are you looking for an exciting career opportunity? Consider Pattison Agriculture!

Parts Technician – Moosomin

If you are looking for an exciting career opportunity in agriculture, consider Pattison Agriculture!

As a Parts Technician, you will be responsible for selling, receiving, and the delivery of parts and accessories. In addition, you will be performing in-store customer service, overall organizational promotion, and stocking duties.

You must have the ability to provide robust customer service to internal and external customers. You will need parts and machinery knowledge, strong interpersonal skills, experience working with software systems, ability to lift heavy parts, valid driver's license, ability to work flexible/extended hours and weekends, farming background/experience and a minimum of 5 years experience within a Parts Department environment is an asset.

Pattison Agriculture provides an excellent work environment, with progressive and comprehensive people practices.

Apply early as recruitment for this position is ongoing and may be filled prior to the closing date. Candidates must be legally entitled to work in Canada.

We would like to thank all who apply; however, only those candidates selected for an interview will be contacted.

Candidates interested in this position must apply using our online application portal at:
