Learn the Warning Signs of Dementia
The ABC's of Dementia

Wednesday, June 13, 2018, 3:45 - 5:15 pm
Canalta Hotel Boardroom
405 Mountain Street , Moosomin SK

Dementia affects more than just memory, and can cause changes in an individual's Abilities, Behaviours, or Communication - the ABC's of Dementia.

Attendees will learn about dementia, the warning signs, and how they can help to reduce stigma. The presentation will also highlight the Alzheimer Society programs and services available to people affected by dementia, their care partners, family and friends.
