

GOODMAN
— STEEL LTD —

Janitorial Services

EMPLOYMENT OPPORTUNITY

Goodman Steel Ltd. is currently accepting tenders for Janitorial Services at our Rocanville locations.

Locations: 902 Railway Ave - 1 building & 2020 Hwy 8 - 2 buildings

902 Railway building consists of offices, changing rooms, washrooms, lunchroom as well as a boardroom on the second floor, all will need to have daily cleaning provided.

2020 Hwy 8 has two buildings at this location that need daily cleaning. Main building has large lunchroom, boardroom, office spaces as well as 2 washrooms. The second building on site has a small lunchroom, changing room, washroom and locker room.

All locations cannot be cleaned until after 4 pm.

Cleaning requirements are:

All office spaces- top to bottom, counters, desks, chairs, floors, walls if needed, door jams if needed and windows throughout all buildings. All garbages will need to be emptied daily.

Lunchroom floors, chairs, counters, dishes, tables, backsplashes, small appliances will all need to be thoroughly cleaned and all lunchroom garbages will need to be emptied daily.

Boardrooms have garbages that need to be emptied, tables and counters as well as chairs need to be wiped down and floors washed.

Washrooms will need to be vigorously cleaned and sanitized. All floors, urinals, toilets, wash stations and mirrors will need cleaning. Stall dividers will need to be washed down as well as walls if needed. Lockers will need to have the tops dusted and outsides wiped down if needed.

You will be required to provide your own equipment and supplies.
