Stop struggling to hear, visit us today!

Hearing loss can sometimes be gradual and easy to ignore until it is not. Struggling to hear the TV or conversations? Constantly asking others to repeat themselves? We can help!

Locally owned & community focused

House of Hearing is not just a clinic; we're your neighbors, committed to providing top-notch hearing care to our community. Our passion is helping you reclaim your hearing, boosting your confidence, and improving your quality of life.
